Relax-and-Recover Support Services

Subscription Terms and Conditions

- Base product is the “REAR-5” subscription which gives you up to 5 servers full support.
- Subscription term is 1 year
- We guarantee the quality of our rear binary package fully tested against the supported hardware
- The repositories get updated as soon as bug fixes or product enhancements are integrated and tested
- The software can be used even if a subscription expired and does not get renewed. In this case no new support issues can be logged anymore

Support Terms and Condition

- Support requires a valid subscription
- Support term is 1 year
- Incidents and issues will be analyzed, bugs and unexpected behavior will be fixed. However, it does not cover adding new features
- If a bug was fixed it will be committed to our source repository, pass through our QA and will be added into the next release. For severe bugs or security issues, a hotfix will be provided
- Issues can be reported by phone, email or via GitHub issues tracker
- Number of authorized support persons at customer: 2
- Response times count within business hours only, which are: Monday – Friday 9am – 5pm, except for legal holidays in Belgium
